Rev. Alfred Fitzpatrick,
The Frontier College,
67 Yonge Street, Toronto.

Dear Mr. Fitzpatrick:

Many thanks for the book which you have been good enough to send me. I have so far not been able to do more than glance at it as it has just arrived this morning, but I will look into it more closely, and I congratulate you on being able to get up a piece of work which I hope will be of great service to you in your work. I am glad that you have been able to insert in it a photograph showing the University Settlement work.

With kind regards, I am,

Yours sincerely,

President.
